For highest level of comfort in the Maule pilot & copilot seats, we offer the Oregon Aero Seat Cushion System. The specially contoured visco-elastic foam is shaped for proper lumbar curve, and works with your body heat to provide even pressure distribution. You will be amazed at the comfort this seat system awards. For more information, visit www.oregonaero.com.

Leather Interior Appointments

There is nothing like the look and feel of fine leather............
Maule Air, Inc. offers an optional leather interior for all of our models. Each interior is hand cut from the hide and sewn with great attention to detail by our skilled upholstery craftspeople. We offer several color choices to suit your taste.

Leather Interior: All seats and interior trim pieces are leather, excluding headliner and dash cover.
